

PERSONAL INVESTOR PROFILE CONFIRMATION

This confirmation ensures that the Personal Investor Profile on record for your investment portfolio remains accurate and appropriate. By reviewing and either confirming or updating your profile, you help ensure that your portfolio continues to reflect your financial position, investment objectives, and tolerance for risk.

1. Existing Personal Investor Profile on Record

Stable - A stable investment portfolio is a balanced mix of assets designed to provide steady growth and income while minimizing risk and protecting capital over time

Balanced - A balanced investment portfolio is a mix of growth assets (like equities) and defensive assets (like bonds or cash) aimed at achieving moderate returns with controlled risk.

Growth - A growth investment portfolio is focused on assets like equities that aim to maximize capital appreciation over time, accepting higher risk for higher potential returns.

Date of original / full Personal Investor Profile:

2. Confirmation of Personal Investor Profile

Do you confirm that the above Personal Investor Profile is still applicable?

Yes, my circumstances and risk tolerance remain the same

No, there have been significant changes to my financial position, objectives or tolerance for risk

3. Agreement

I understand that my Personal Investor Profile applies to my overall investment portfolio and not to any individual products. The purpose of this agreement is to ensure that my portfolio remains suitable for my financial position, objectives, and tolerance for risk.
